

✓ Chicago Tribune Sept 9 Article tells of firing 3000 mi off the Fla Coast.  
✓ P no Ex #25 Master Security Classification Guide (WWD AIR FORCE)  
Clearly shows the fact that AF classification is more lenient

no JCN no Dupate + no ABMA  
Secy of State - To grease the Skids - Brought Agencies together - Army + Navy  
By Air Force standards some of these documents would not have been  
classified.

Barry in VB asked if it was not likely that the letter from VB to JCN dated Jan 1955  
while JCN was in D.C. had been lying around his home since he came from D.C. Barry had  
read IG Reports + knows that all documents were found in a Brief case in N's home.

VB says the Army is overclassifying this type of information
