Ladies' House Dress—

The Waist with Square Yoke and Standing or Rolling Collar, and the Five-Gored Skirt Joined to the Waist.

Pattern in 7 sizes — 32, 34, 36, 38, 40, 42 and 44 inches, bust measure.

Width of lower edge of skirt in medium size, about $3\frac{3}{4}$ yards.

Length of skirt (finished) at centre-front, $42\frac{1}{4}$ inches.

$\frac{3}{8}$ inch is allowed on all edges for seams, except on shoulder and under-arm edges, where $\frac{1}{4}$ inch more is allowed for outlet, when necessary.

TWELVE Pieces — Front, Front Yoke, Back, Back Yoke, Standing Collar, Rolling Collar, Cuff and Sleeve for Waist, Front Gore, Side Gore, Back Gore and Belt for Skirt.

Try length of skirt and sleeve and, if necessary, lengthen or shorten skirt near knee and sleeve near elbow— $2\frac{3}{8}$ inches are allowed at lower edge of skirt for a hem.

To Cut:—Place edges having three ovals of back, back yoke, rolling collar and front gore on a lengthwise fold, the front edge (having a diamond) of front and front yoke, the front edge of side gore below the extension, the front edge of back gore below the double notch, the long edges of cuff and belt and the lines of small perforations in standing collar and sleeve lengthwise of the goods; cutting off extensions on right side of skirt.

To Make:—Gather upper edges of front and backs between notches and join to yokes as notched. Turn under front edges of fronts $1\frac{1}{8}$ inch for hems. Close shoulder and under-arm seams as notched. Gather lower edges of fronts and back between perforations and also $1\frac{1}{8}$ inch above. Try on, lapping right front over left $\frac{3}{4}$ inch. Sew on standing collar with oval at fold of hem on right front and line of small perforations at centre-back; or, sew on rolling collar as notched and roll at squares. Close seams of skirt as notched, terminating left side-front seam at extensions. Turn under extension on front gore at squares for a hem. Gather upper edge of skirt and join it to lower edge of waist with centre of front gore $\frac{3}{8}$ inch back of fold of hem on right front, centre-back seam of skirt at centre-back of waist and right side-front seam and square in left extension at back ends of gathers in respective fronts. Stitch belt to position, placing lower edge over upper edge of skirt, large perforation at fold of hem on front gore, square at centre of front gore, oval at centre-back, square end at edge of extension on left side gore and small perforations at ends of gathers in back and at back ends of gathers in fronts. Close seam of sleeve as notched, terminating it at extension. Gather upper edge of sleeve between notches and lower edge between perforations. Join one long edge of cuff to lower edge of sleeve. Sew in sleeve as notched, placing square at shoulder seam.
